**Entry Time – Sunday, August 18, 2024, from 3PM to 8PM, and Monday, August 19, 2024, from 9AM to 7PM.**

1. All exhibits are to be grown by exhibitor.
2. Quantities specified in the exhibit list will be strictly adhered to.
3. Each exhibitor is limited to 1 entry per class, except Any Other Vegetable which is limited to 3 entries per class.
4. Include variety, if known, on tag when entering exhibit.
5. The Fair is not responsible for lost or damaged items.

### Basis for Judging

Exhibits will be judged on the basis of quality, condition, uniformity and trueness to variety. In order to rate highest in quality the product must be in the best edible stage. It should be free from blemishes caused by disease, insects, or other factors. The term "uniformity" applies to size, shape and color as representative of the variety. The average size from the commercial standpoint, rather than the largest specimens, should be exhibited.
