Maintenance Director

Maryland State Fair & Agricultural Society, Inc.

Location: Timonium, MD

Looking for a job where no two days are the same—and your work helps bring a little magic to the community? Join the Maryland State Fair & Agricultural Society, Inc. (MSF) as our Maintenance Director and become part of something special! MSF is a private, non-profit organization that is not a government agency with a mission to support, educate, preserve, and promote Maryland agriculture through a variety of events year round.

As a key member of our leadership team, you'll help keep the fairgrounds and racetrack in top shape—before, during, and after the Fair. From coordinating event setup to making sure every building and bathroom is ready for thousands of visitors, your work will be hands-on, fast-paced, and incredibly rewarding.

Why Work With Us?

Working at the Fair isn't just a job—it's an experience! You'll be part of a team that values hard work, good humor, and making things happen. Whether you're prepping for a major event, brainstorming with your crew, or solving problems on the fly, you'll never be bored—and you'll always know your work matters.

What You'll Do:

- Lead and motivate a team of maintenance pros to keep everything running smoothly.
- Oversee the upkeep of buildings, restrooms, grounds, equipment, and more.
- Ensure safety standards are met through regular inspections and emergency planning.
- Coordinate with vendors and contractors for repairs and special projects.
- Maintain and repair vehicles, tractors, loaders, and other essential gear.
- Support year-round events with logistical setup, teardown, and on-the-ground troubleshooting.
- Help plan for the future with strategies for long-term facility improvements.
- Interface with the Board of Directors through the Building and Grounds Committee to contribute to budget decisions and project priorities.

What We're Looking For:

- 5+ years of experience in maintenance, facility operations, or a similar field.
- 2–3 years of leadership experience managing maintenance teams or projects.
- Working knowledge of mechanical systems (HVAC, electrical, plumbing, carpentry, etc.).
- Great communication skills and the ability to keep cool under pressure.
- Willingness to roll up your sleeves and work nights, weekends, and holidays when the Fair is in full swing.
- Physically able to lift up to 50 lbs and work outdoors in all kinds of weather.

Bonus Points For:

- Vocational or technical training in facility or construction management.
- Certifications like CFM or OSHA safety training.
- Experience managing facilities during large-scale public events.

Sound Like You?

If you're someone who leads by example and takes pride in getting the job done right—and want to be part of a Maryland tradition that serves the community all year long—this is the job for you.

This job offer full benefits: medical, dental, vision, 403b, life insurance, short- and long-term disability, paid holidays, vacation and sick pay.

Salary Range: \$80,000-\$100,000

How to Apply

Send a resume and a cover letter to dgordon@marylandstatefair.com or mail materials to the office at 2200 York Rd. Timonium, MD 21093 Attn: David Gordon.
