# PROTECTING OUR PLANET

## *ONE ACRE AT A TIME*

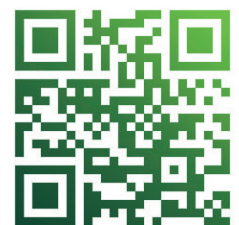

We all take actions big and small to help our planet. For U.S. soybean farmers, that means taking extra steps to maintain soil health and implementing sustainable farming practices like planting cover crops. Not only does this help ensure a happy planet, but it also helps produce quality soybeans – an important plant protein we all rely on.

## Patient First®

Convenient, cost-effective urgent and primary care.  
Open 365 days a year, including weekends and **all** holidays.

- Walk-in, no appointment necessary
- Primary care available for patients who do not have a regular physician
- Wide range of on-site labs, always a lab tech on duty
- All routine x-rays on site including chest x-rays; every x-ray over-read by a radiologist
- Prescription medications on site, regular prescription insurance accepted
- Telehealth services available for added convenience
- Most major insurance plans accepted — your claims filed for you
- Less costly than the ER — we routinely care for more than 60% of the diagnoses seen at the ER at one-third the cost

Care Is Around the Corner

Founded in 1981. Accredited by National Urgent Care Accreditation.
